

Confused about where to start looking for a contractor when you need work done in your home?

Tired of all the phone calls and e-mails once you find one and never getting a response?

I am excited to announce that we will be developing “The Sedgfield List” to help make the process easier and less painful!! Simply put, we will be compiling a list of contractors and service professionals that Sedgfield residents have used and were found to be reliable and reputable. Once a sizeable list is developed it will be posted on the SCA’s website and will be a quick and easy reference tool for all Sedgfield residents to go to. Here is how you can help:

- 1) Fill out the attached form and drop it off or mail it to: Dawn A. Anthony
49 Ferncliff Road, Morris Plains, NJ 07950

OR

- 2) Call and leave a detailed message including your name & contact number to:
973.451.9820

OR

- 3) Email: da277@optonline.net with the information.

NOTE: please put: Sedgfield List in the subject line.
