### **PRESIDENT'S MESSAGE**

By: Carlos Guzmán

Dear Neighbors,

The past few years have been incredibly challenging for every neighbor and friend. In view of the easing of Covid restrictions, the SCA board is looking forward in bring back events that have ceased due to the pandemic. This year, we will be having a second "Movie Night Under the Stars" experience. There are more activities that are in the works. We hope that you and your loved ones can join us, as we try to move forward.

To continue our activities your support is vital. Your membership in maintaining the oldest and active neighborhood association in town is especially important. Our yearly dues are only \$25 per family or \$9. per senior (62 and older). See the attached membership form. The form is also on our webpage at [www.mysedgefield.net](http://www.mysedgefield.net). We thank you in advance for making your neighborhood Association, since 1952, the most well-known and recognized organization in Parsippany.

Please see the attached flyer for details on the upcoming Troop 173 Scouting for Food collection on **Saturday April 9, 2022 in our neighborhood.** Thank you for your donations!

#### **EASTER EGG HUNT, SATURDAY APR. 16,** **11:00AM, GRAFTON PARK**

By: Kristen DeMarco

The Sedgefield Civic Association will have the annual event in our own **Grafton Park**. The egg hunt is scheduled for **Saturday, April 16, at 11 AM. (Rain date, if needed, will be announced a day or two before the event).** We will meet in the cul-de-sac on Grafton, with masks and social distancing requested of adults and children. Children will be broken into groups, which will also allow for distancing

while they search. Please keep an eye out for an email closer to the date to let you know of the details. We hope to see you at this fun event! **You can also catch the Easter Bunny and take photos with him!** As always, we also have the **Golden Egg** prizes for the lucky Sedgebots!

## **SEDGEFIELD GARAGE SALE**

**SAT. JUNE 4, 9:00AM-4:00PM** By: Dan Joa

We will be having our annual Garage Sale on **Saturday, June 4<sup>th</sup> (Rain or Shine)**. This is a terrific opportunity for you to clear out old items and general clutter around your house, and make some money while doing so. There is a participation fee of \$5.00 per home to defray the cost

of advertising, signs, balloons, and printing of maps. Hope you will join this wonderful event that will be shared with many families throughout Sedgefield. **Sign up forms and flyer will be in the May SCA Caller.**

Much of the information below applies to any yard sale. However, the **Sedgefield Civic Association Garage Sale** is a special case – you won't need to do any advertising. This year's SCA Garage Sale on **Saturday, June 4, 2022** will attract many more customers than the typical one-family or multi-family sale, because: 1) Our community has been doing this for years; it is a known draw. 2) We will promote the sale on our [www.mysedgefield.net](http://www.mysedgefield.net) website. 3) We will place classified ads on craigslist, and in local medias. 4) We will post notices on local bulletin boards. 5) We will put up eye-catching signs at the main neighborhood entrances.

Start NOW to make your sale a success - Start gathering & organizing items NOW from your house, garage, attic, shed, basement – if you haven't used it in the past year, it is a candidate!! Spend 5 minutes a week during the next month and just imagine how much unused stuff you will gather!! Don't include anything that you'll regret: your grown daughter's Barbie dolls, or her brother's baseball cards! Look through everything – is there a credit card receipt in a book? Is there \$10 in a pocket? Price everything – on top, not bottom. Price items in excellent condition 1/4 - 1/3 of new. Clothes and toys – even in great shape - are priced lower than that. Plan on individual boxes/tables for items that aren't individually priced - "hard-cover books .25 each" - "fill a Shop-Rite bag with clothes for \$3" - "any item on this table \$0.50". Collect grocery bags and save newspapers to wrap fragile items. With this underway, you'll have a great start for the

big day!! And stay tuned for more tips in the next issue of the Sedgefield Caller. If you have any question, email me at [dan.joa@gmail.com](mailto:dan.joa@gmail.com).

## **SEDGEFIELD'S 2022 SOUPER BOWL FOOD**

**DRIVE RESULTS:**

By: Carlos Guzmán

This year's **2022 Souper Bowl Food Drive** was as exciting as the actual game. We want to thank our **Sedgefield community** and our **Glacier Hills Neighbors** for joining us in donating to the **Parsippany Food Pantry** for those in need. What a wonderful success! The Pantry received **554 articles** of food between cans, jars, boxes, and other items. In addition, a total of **\$500 in checks** was made out to the Parsippany Food Pantry. Our sincere thanks to **Joana Nazimek, Daniel Zarzycki, and Alshermund Singleton** for helping us gather and deliver the donations to the pantry. **Al** is a retired Super Bowl-winning NFL Linebacker. Having had a successful 10-years career with the NFL, Al is the proud winner of **Super Bowl 37** with the **Tampa Bay Buccaneers** and is our Sedgefield Civic Association Vice President. The Pantry was so appreciative of everyone's outstanding effort. (See letter below). We once again thank you all for the great support.

Re: Parsippany Emergency Food Pantry Donation

Dear Joana (Treasurer) and all the Members of Sedgefield Civic Association,

Please accept our most sincere appreciation to Joana Nazimek (SCA Treasurer) and all the Members of Sedgefield Civic Association, for your very generous monetary donation to the Parsippany Emergency Food Pantry. What an amazing donation! Your donation will help us to meet the needs of so many families here in Parsippany. I cannot thank you enough for dedication to our community through this trying time. Thank you once again for your thoughtfulness and generosity to our community of Parsippany.

Sincerely,

*Gloria Wilson*

## **FREE YARD WASTE & RECYCLES**

### **DECALS**

By: Bob Roberti

**YARD WASTE**

**RECYCLES**

<https://www.parsippany.net/DocumentCenter/View/338/New---Single-Stream-Recycling-PDF?bidId=>

Last year the Parsippany Recycling Center's free Yard Waste and Recycles decals supply dwindled down to a precious few. I checked with **Steve** at the Recycling Center in January to ascertain if the Township replenished the supply. I was happy to learn that these decals are now available in abundance. I picked up several handfuls of Yard Waste and Recycles decals for Sedgefield residents. The decals are a handy way to assist Township Trash Haulers to identify trash in your trash containers without popping off the lids, and are required on the cans.

When I visit new Sedgefield residents, I like to bring a few decals for their new garbage containers. The decals are usually well received by the new residents. Many times, I am asked where and how can we obtain more or replace old decals. The Township Recycling Center was the only location that had a supply of the decals. The good news is **Steve** has given me a new supply, and Sedgefield neighbors can now call me at 973-993-8382 or email me at [rroberti@pilotassociates.com](mailto:rroberti@pilotassociates.com) and I will drop some off at your house. Just be sure to specify the quantity and type of decal you need.

## OBITUARIES

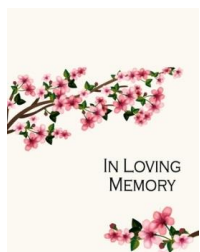

By: Carlos Guzmán

*In  
Loving Memory*

One of our beloved Sedgefield original neighbors **Mrs. Betty P. Benson**, mother to Mr. Bruce Benson (Committee Chairperson to Scout Troop 173) passed away on November 26, 2021, after just recently celebrating her 96th birthday. She was a resident of Sedgefield since 1956 and a charismatic lady that enjoyed the company of her dogs, baking, needlework, gardening, and trips with her family. She will be truly missed. Betty is predeceased by her sister, Joan M. Pfeider. Survivors include her son, Bruce, and her daughter, Dr. Beth J. Benson. **Donations in her memory to Grace Cottage Hospital in Townshend, VT or Mt. Pleasant Animal Shelter in East Hanover, NJ would be appreciated.**

~~~~~\*\*\*~~~~~

A dear friend and neighbor **Donna Lynn Fernandez** passed away suddenly at home on Sunday, February 20, 2022. She was a teacher at Littleton Elementary School where she was a paraprofessional with special needs children. This gave her much joy and fulfillment each day. She had an amazing ability to form a special connection with every one of "her kids." She leaves joyful memories to her husband, Victor, of 43 years. We offer our deepest condolences to Victor, her two daughters, and extended family.

## DOWN THE GARDEN PATH By: Bob Roberti

### **Follow-Up to Planting Bulbs Article:**

Since the November and December weather has been so mild, planting Fall bulbs has been so delightful. **Beautification Committee** members planted **90 yellow Daffodil** bulbs at the Sedgefield signs and **100 huge yellow Daffodil bulbs** in Grafton Park. I was a busy beaver around my own house planting 200 red Tulips in front of the porch, 155 **Daffodil bulbs** in front and back yards, and 80 **Crocus** and **Wood Hyacinth** bulbs in a raised bed around a tree. I am eagerly anticipating many magnificent spring blooms this year.

### **Winter Pruning:**

Winter is an excellent time of year to prepare for spring by pruning back your shrubs and trees. **Pruning** is nothing more than cutting back or shaping up bushes and trees. We have many large trees in Sedgefield. Remove

dead or diseased limbs or limbs too close to your home. I NEVER advocate cutting down a tree unless it is dead or leaning too much and will eventually fall causing injury. Trees are too important in our ecological system to be removed without cause. In Grafton Park alone we lost approximately 50 trees during Hurricane Sandy and during the cleanup of the park. Some of those trees were 36 to 42 inches in diameter, hundreds of years old. **I strongly urge Sedgefield residents to plant a tree in 2022.** Last year I planted two small cherry trees in my back yard. When pruning a tree, I usually use a bow saw or hand pruning saw to get the job done.

Flowering trees, bushes and evergreen plantings require pruning every year. In Sedgefield we have many flowering trees and bushes, i.e., **azaleas, rhododendron, dogwood, rose of Sharon, and rose bushes** just to name a few. Since these flowering plants grow faster, the new growth is young and tender. Using a sharp handheld pruning shear shape up this year's new growth and cut out dead branches. NEVER use a dull shear, the cut must be made clean. A dull cut will pinch the branch and leave it susceptible to infection or disease.

**Boxwood shrubs** are one of the easiest shrubs to grow in Sedgefield. They are deer resistant, require little care, grow slowly, and remain green all year long. Boxwood is easy to prune. I use my electric hedge shear to gently shape the Boxwood to grow round or like the top of an ice cream cone. You can prune or shape Boxwood to grow square or into a long hedge row. Boxwood leaves are small and grow close together causing the shrub to appear very dense. These branches are very tender therefore try to remove any snow or ice off the shrub or the branches may snap or become damaged.

If you have any pruning questions, please call me at 973-993-8382 or email me at [rroberti@pilotassociates.com](mailto:rroberti@pilotassociates.com). Happy Pruning!!

## VALENTINE'S DAY TRADITION

By: Bob Roberti

Ever since I was a young boy growing up in East Orange, NJ I always loved the Valentine's Day tradition of buying and delivering beautiful, decorated boxes of chocolate candy to the loves in my life. At first it was my mom, then grade school crushes, high school sweethearts, girlfriends, and now my wife and daughters. When I was younger, I didn't have

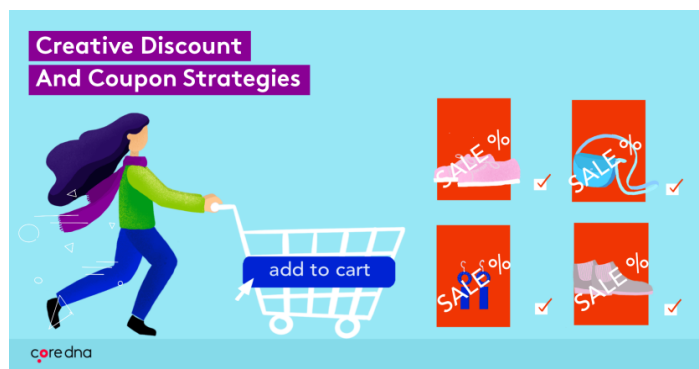

the full price for the box of candy. I made a deal with the owner, of **Marie's Candy store**, to hold the most beautiful box of candy for me until I could pay it off. It was a layaway plan for Valentine's Day candy.

When I married and moved to Bloomfield, NJ, I discovered **Holsten's Brookdale Confectionery**, a homemade ice cream and chocolate shop. The owner, **Rudi Stark**, was a master at his craft for homemade confectionary delights. His milk and dark chocolates were out of this world. **Rudi** also presented his Valentine boxed candy in a unique way. He would purchase the most beautiful heart shaped boxes. The outside top of the box had a silky satin lightly padded finish. It almost felt like a silky pillow. The beautiful boxes were displayed on the candy counter. I was always first to place my order. As my daughters grew older, I decided to buy each a different designed box of candy. **Holsten's** always put the heart in a square box then wrapped it with Valentine's Day wrapping. When Valentine's Day arrived, each of my girls would pick a box, not knowing what beautiful heart would be inside. I continued this tradition every year including this year. Our daughter, Amanda, is a professor at San Francisco State University so we send her candy via the U.S. Postal service. My wife, **Nina**, and my daughters, **Dana**, **Melissa**, and **Amanda** would then pose for a picture in our living room.

The years have passed, the candy is eaten, but the tradition continues. We still have the pictures and the empty Valentine Day boxes have been saved. **Rudi Stark** has retired. **Ronald Stark and Christopher Carley** still own **Holsten's**. In fact, **Nina and I** were there on Valentine's Day to enjoy "ice cream for lunch", a large wet walnut, hot fudge, sundae with coffee chip ice cream, whipped cream, and a cherry. You may want to check out their website at **Holstens.com**.

## **FIGHTING INFLATION WITH COUPONS AND DISCOUNTS**

By: Bob Roberti

In January inflation rose 7.5%, while the national inflation average rate is the highest in 40 years. I never

paid much attention to these numbers while working, earning a good living, and enjoying excellent company paid benefits. Now that I am retired, things are changing. I purchased and service my own private vehicle. I noticed gas prices have almost doubled since the start of the Pandemic. I understand why my wife, Nina, complains about the prices at the supermarket. Speaking with others in our age group, I understand what they are dealing with. I also see the struggle younger families, with children, are facing. I thank God that we are blessed but look for ways to help reduce spending and save in areas when possible.

Nina always cut cost by using apps or scanning coupons to help at the supermarket. I shop at the Acme Supermarket, in Denville, only **on Tuesdays**, because they offer a **seniors 5% discount** on all basket items. Acme also has a display counter with various meats, chicken, and fish. You may choose 4 prepackaged items for \$19.99. Last week the 4 items we chose were: 2 small 2 lb. pork roast, 2 thick pork chops, and 2 large chicken breasts. This purchase would have cost close to \$28.00. The Agway Garden Center, in Morristown, offers a **seniors 5% discount on all purchases on Tuesdays**. I filled my propane tanks, purchased garden supplies, 2 cherry trees, and 2 shrubs. Agway also provided FREE delivery for the trees and shrubs. Uncle Giuseppe's, in Morris Plains, just opened with big sales on certain items. Uncle Giuseppe's **offered \$5.00 coupons if you spent \$50.00 or more and \$10.00 coupons if you spent \$100.00 or more**. One of the produce specials that Nina was able to get was artichokes for \$1.00 each. When she went back for more the next day, they were sold out. The produce manager said they sold 36 cases in one day. Uncle Giuseppe's offers a **seniors 5% discount on all purchases on Wednesday**. These are just a small example of savings in our local area. I am sure there are more.

Many companies like Bed Bath and Beyond are very generous with their coupon offers. This is especially helpful when purchasing household items or giving gifts for various occasions as wedding showers. Even Holsten's Brookdale Confectionary in Bloomfield, NJ recognized the need to fight inflation. If you **pay your bill in cash, you can save 3.5% over a credit card transaction**. Many economists are predicting higher cost for goods and services in 2022. Supply shortages will continue to drive up prices. We need to look for discounts and savings anywhere we can to help fight rising inflation cost.

## **DID YOU KNOW?**

By: Carlos Guzmán

A scene from the final episode of the highly viewed T.V. drama series “**Los Sopranos**” an American crime drama television series created by David Chase revolving around the fictional New Jersey-based Italian American mobster **Tony Soprano** (James Gandolfini) was filmed around the corner from Sedgfield? Filmed at the Raceway Gas Station located on route 10 and route 202, the scene showed the fictional assassination of one of the mob bosses’ while stopping to get gas with his family. In the background you can clearly view the Barnes and Noble bookstore and the Chevy’s restaurant that was opened at the time.

The show portrayed the difficulties the mob boss faced as he tried to balance the conflicting requirements of his home life and his criminal organization. The Sopranos had been regarded by some as the greatest television series of all time. The series also won a multitude of awards, including Peabody Awards for its first two seasons, twenty-one Emmy Awards and five Golden Globe Awards. A staple of 2000s American popular culture, the series was the subject of critical analysis, controversy, and parody, and has spawned books. **James Gandolfini**, a three-time Emmy winner, died on June 19, 2013, at the age of 51. The series is available on Netflix.

In recent years due to the drastic weather changes and local emergencies, the need for traffic and alerts, especially in our area, are very important. There are ways to keep informed besides television and/or radio. You can receive real-time alerts and advisories directly from our local Parsippany police department and other local agencies instantly to your mobile phone, or computer. The Morris County Office of Emergency Management provides all jurisdictions within Morris County with Rave Mobile Safety. In Parsippany it is called **AlertParsippany**. This service provides emergency notification alerts through reverse phone calls from data provided by Verizon, along with contact information from individual users who signing up. Citizens can create a profile with Rave Mobile Safety which allows them to add extra phone numbers or email addresses for more ways to get emergency alerts. This system has the ability to send

voice, text, and email message alerts. If you would like to sign up for the alerts please do so by going to <https://www.ParPolice.com> then click on Community Notifications at the top bar.

**\*One important note to remember: If you ever need to contact the Parsippany Police, Fire Dept. or Medical in an Emergency using a cell phone, it is best to call (973) 263-4300. If you call 911 from a cell it will most likely be routed to Trenton N.J. before being forwarded to our township emergency services, possibly losing precious time.**

**SEDGEFIELD CIVIC ASSOCIATION**  
**SINCE 1957**

Dear Neighbors,

WE ARE BACK. While Scouting has continued in a limited manner during the pandemic, we have resumed our meetings and selected activities, including our annual 'Scouting for Food' drive. National Scouts BSA Good Turn will take place on **Saturday, April 9, 2022**. We are asking for you to donate non-perishable food items for the less fortunate right here in our community to The Interaith Food Pantry. You can read about the good work of this Parsippany-based organization at ***mcifp.org***

Why not plan now to pick up some extra non-perishable food when you encounter a sale or promotional price? We plan to deliver a bag and printed collection instructions on the weekend of April 2-3 or of course use one of your own grocery bags.

Further details will be dropped off at your house, or for those on the SCA email list, a reminder will also be provided online. **We thank you very much for your generosity.**
